

Castelnaudary / Bram

Canal des 2 Mers by bike - Atlantic / Mediterranean sea

Leaving Castelnaudary, you pass the imposing St-Roch lock with its four interconnecting chambers. Further on, at the level of Bram's port and the canal-side restaurant, l'Île aux Oiseaux, a cycle track allows you to make a short detour into the centre of Bram, a town which stands out for its silhouette and its circular medieval centre, known as a 'circulade', a form typical of the Aude.

The route

The towpath along this stage is still a bit rough.
