

# Sauveterre / Canal de Garonne

Canal des 2 Mers by bike - Atlantic / Mediterranean sea

In the heart of the Entre-Deux-Mers area – between the two rivers, the Garonne and Dordogne, nicknamed ‘seas’ – you cross an ocean of vines! The terrain is hillier here. You join the Canal de Garonne at La Réole. This town conceals a few treasures behind its ramparts. In its maze of little streets, don’t miss the 13th-century church of St-Pierre, nor the esplanade next to a former Benedictine Abbey which offers a fine view over the Garonne Valley.

## The route

The route is along hilly little roads with very light traffic. The way is signposted between Sauveterre and Loubens. Note however that the route is not signposted between Loubens and La Réole.
